## 5. Planned expenditure

The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

### i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
Improved attainment in maths at the end of KS2	<p><b>Hubs;</b> Middle leaders will engage with the Trust-wide network to ensure the highest quality delivery of a broad and balanced curriculum.</p> <p>All staff to focus on 'Implement/Intent and Impact'.</p>	<p>Ofsted's new inspection framework will place an increased emphasis on curriculum as part of a new quality of education grade, which will also look at teaching and learning and outcomes for pupils.</p> <p>The inspectorate has said that it will assess curriculum through intent, implementation and impact.</p> <p>Ms Fearn - Ofsted said: "Intent is about what leaders intend pupils to learn. It's as simple as that. Intent is everything up to the point at which teaching happens."</p> <p>She said that, according to Ofsted's new framework, "good intent" has the following four features:</p> <p>a curriculum that is ambitious for all pupils;  a curriculum that is coherently planned and sequenced;  a curriculum that is successfully adapted, designed and developed for pupils with special educational needs and/or disabilities;  a curriculum that is broad and balanced for all pupils.</p> <p>Ms Fearn said that, in order to assess intent, inspectors will "consider the curriculum leadership provided by senior, subject and curriculum leaders".</p>	<p>All staff to have a greater understanding of the position of each subject's current focus, good practice and shared resources.</p> <p>All staff to feel supported in middle leadership roles (strategic and school based) with a focus on accountability (curriculum, books and data position).</p> <p>Lesson observations to look at <b>challenge/impact</b>.</p> <p>Pupil progress meetings identify target children forensically.</p> <p>Book monitoring to dig deeper into how effective the teacher/pupil 'response' to the work has been ie- has it improved the child's progress?</p>	<p><b>Teaching staff and senior leadership</b></p> <p><b>Subject Leaders</b></p>	Termly
